The Mountaineer Staff is made up of students in grades eleven and twelve who wish to take journalism as an elective. This year the staff is under the supervision of a new advisor, Mrs. Rebecca Bower.

Each student works hard collecting news information and writing articles of current happenings in order to publish an effective newspaper.

The staff published three editions of the Mountaineer this year. They made many changes and improvements on the paper. One major change was that of the publishing company. This change also affected the style of paper used.

The staff also participated in a program aired over WVSC at Christmas time. They were involved in three different shows. The topic of each show had to deal with Christmas customs and beliefs.

"You did so goof that line up."

One of the many great scenes.

The Senior Class presented the play "Bachelor Bride" on November 18 and 19.

"Bachelor Bride" is the story of a New England school teacher who went West to find adventure and romance. She ended marrying the wealthiest bachelor in town.

The women, who are out to "get" Mrs. Standish go to some little bother to prove her a fraud but only succeed in bringing a mighty attractive love affair to a climax.

CAST—Row 1: Linda Trulick, Betsy Will, Scott Shumaker. Row 2: Ruth Sarver, Brian Dively, Deanna Hersch.

The first musical to be presented at Berlin was "You're a Good Man Charlie Brown". The musical followed the life of Charlie Brown and the Peanuts gang through a typical day's activities. The book report, the baseball game and the Red Baron were a few of the more memorable scenes. The cast, musicians and directors would like to thank everyone who supported the cast in their efforts.
